## Hot Weather Weakness.

In you feel fagged out, listless and lacking in energy, you are perhaps suffering from the debilitating effects of summer weather. These symptoms indicate that a tonic is needed that will create a healthy appetite, make digestion perfect, regulate the bowels and impart natural activity to the liver. This Herbine will do; it is a tonic laxative and restorative. H. J. Freegard, Propr. Grand View Hotel, Cheney, Kan., writes: I have used Herbine for the last 12 years, and nothing on earth can beat it. It was recommended to me by Dr. Newton, Kewton Kan. 50c at Muns & Co.

The railway officials of Prussia have been trying alcohol lamps in competition with those burning acetylene, but on account of the unpleasant odor emitted by the former they will not be used.

## Let us Greet Him.

Missouri's most distinguished son is now within her domain. Let every proud aspiring soul pay tribute to the world's greatest humorist. There is something beside levity in Mark Twain's writings, there are lessons of wisdom for us all.

I love him for his rugged Missouri style, I love him because he hates affectation and snobism. Sickly romance love stories are not to be found among his voluminous works. Let us rejoice to think that our soil produced him.
